Art - Year 2 – Autumn– How do artists draw a still life?

The Rivers C.of E. Academy Trust
Love Learn Live

What I need to know by the end of this unit:

- How to draw a still life
- How to use a selection of graded pencils
- How to show different shades of tone
- How to represent texture using different drawing techniques
- How to draw objects to scale and position them accurately
- How to name drawing techniques
- How to begin to annotate my work

Vocabulary Focus:

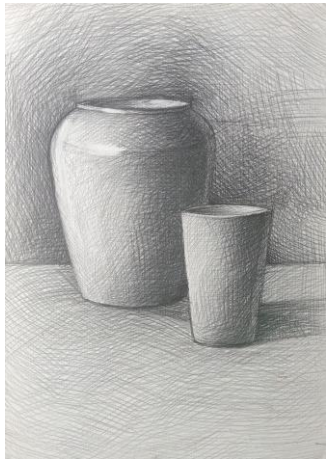
Still life - Still life is a painting, drawing or photograph of objects that don't move**.**

Shape - A shape is the space enclosed by a line.

Tone - Tone is how light or dark a colour is.

Form - Form is shape in 3 dimensions or the illusions of shape in 3 dimensions.

Scale – Scale is the size of an object compares to its surroundings



What drawing techniques can you name?
