

Pupil Premium Strategy

2021-2022

St Peter’s C of E Academy

Statement of Intent

- At St. Peter's C of E Academy Droitwich we endeavour to build solid working relationships with pupils and their families, to enable the development of a rounded and enriching support network.
- By providing a range of varied and exciting learning support opportunities we strive for our children to thrive and achieve accelerated progress and nourish a love of learning.
- Pupils' emotional and social wellbeing is supported by the Pupil Premium Support teacher. Staff liaise regularly to ensure that teaching and learning is tailored to meet the individual needs of pupils.
- Ultimately, we want our children to reach their full potential.
- This echoes our ethos of 'Love, Learn, Live'.

How will pupil premium support be delivered?

- Every week each year group has been designated at least1 hour support from Mrs. Andrews.
- Classroom based support- to ensure children complete the tasks to the best of their abilities, being pushed to produce high quality work.
- 1:1 sessions- hearing children read regularly to develop inference and deduction skills, writing skills coaching (reinforcing good handwriting, accurate grammar and punctuation).
- Group Sessions- guided reading, working in small groups to immerse pupils in one text. Discussing events in detail and developing ideas based upon themes within the story. Intended to develop a true love of reading.

Pastoral Support

- I am not only here to support the children and their families with learning, but also well-being. This is more important now more than ever before.

Every week I begin our sessions with a catch up chat. We discuss activities the children have enjoyed outside of school and any special events.

Children have the opportunity to discuss any worries they may have and I have time to give reassurance / offer guidance.

We are here to help. Please feel free to contact me if you have any concerns about your child.

For more complex situations that may arise within your family life, we are able to put families in contact with outside agencies that can offer professional support.

Financial Support

- Pupil Premium Funding provides financial support with:
- Additional teaching provision (1 hour per year group each week)
- Purchase of school uniform
- Breakfast Club Provision
- Subscriptions for online apps within school to support and develop children's learning.
- Enrichment activities- special activities to broaden the children's educational experience.
