Open Book Night Classrooms will be open from **3.15pm-5.15pm on Thursday 9th February**.

This is an opportunity for you to have a look through some of the work your children have completed so far this year. It is a good time for you to see the progress your children have made and what they have been working on. Children are welcome to sit alongside you to look through the books during this evening. We will provide feedback sheets for you to complete for your children. You are invited to pick out the best piece of work you think they have done so far and to make any other comments you would like about your child's work.

It should be a really great few days where we can celebrate our love of books and reading!

National Story Telling Week It is National Story

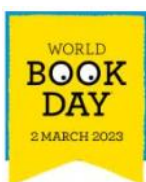

Telling Week this week. The children will be listening to a variety of different stories in school written by a variety of authors. Listening to and sharing stories as a family can be one of the most special things to do. If you manage to share a story this week, perhaps you could send a picture into the school office, spoffice@riverscofe.co.uk We would love to see them and we will display some of them in our school library. My favourite picture book at the moment is 'Here we are' by Oliver Jeffers [Here We Are - YouTube](#).

Costume and dressing up exchange shop

Bring into school any dressing up costumes that are no longer needed in your home. During open book night on **Thursday 9th February** the hall will be open with costumes for you to choose from for a donation. We are hoping this turns out to be both a more economical and sustainable option for those children wishing to dress up for World Book Day which is on **Thursday 2nd March**. Some members of the PTA

will be on hand during this time to help you find the correct sizes etc. Please send any costumes into school before Tuesday 7th February.

To celebrate **World Book Day** on Thursday 2nd March the children are invited to come into school dressed up as their favourite book character. There will be a book fair in school on Thursday 2nd and Friday 3rd March. Each class will be allocated a slot during the school day to visit the book fair. You may wish to send some money in with your child in a named, sealed envelope so they can buy a book when they visit. Every child will receive a £1 book token which can be exchanged for one of the special World Book Day books or used towards the purchase of another book. The fair will also be open after school until 4pm on these dates for parents/carers to visit with their child. Each class will take part in a storytelling session over the two days and we will also be buddying up with another class in school to share some stories.

Week beginning 6th February is

Children's Mental Health Week.

The theme for this year is 'Connections'. The week will be launched with a whole class assembly where we will share a favourite children's story and discuss the connections made between the characters. Each day in the classrooms the children will take part in a short activity which will further explore the idea of connections and how they are a key part to us staying mentally well. Year 4 Malvern Residential Trip—a reminder that the deadline for the Malvern deposit is due to be paid today. Payment of the deposit will secure your child's place on the trip. If you wish for your child to attend but are unable to make payment today, please contact the school office.

Young at Heart Please see the school noticeboard for details of fundraising for Young at Heart charity which offers help and support to families of babies and children receiving treatment for a cardiac condition at the Birmingham Children's Hospital.

Lost Property We seem to have rather a large amount of lost property in school which includes lots of coats and jumpers. We have been through it and much of it is unnamed so we are unable to return to the rightful owners. Please could you ensure all items are labelled. Many thanks.

Free Online Safety Workshop for Parents

Now more than ever, technology is an essential part of our lives. From how we communicate with friends and relatives to how we learn and explore the world around us. We need to know how to safely and securely navigate this online world. With Safer Internet Day on Tuesday 7th February, your child will be exploring this year's theme: 'Want to talk about it? Making space for conversations about life online.'

To support the work we are doing in school, Natterhub (an online e-safety curriculum provider) are running a **FREE Online Safety Webinar for Parents of Primary-Aged Children**. The event takes place on: **Thursday, February 9th at 1900hrs (UK)**. The event will be online and can be accessed through this link: [Webinar Access Link](#)

Important reminder about grapes Just a reminder to chop up grapes if adding them to your child's lunchbox. Remember to cut grapes vertically into skinny halves and strips to avoid risk of choking.

Considerate Parking—We have been asked by Droitwich Tennis Club to politely ask parents and carers not to park in their spaces at the entrance to the club as these are allocated to club members only.

Please see information below from the Worcestershire Immunisation Team.

*We have a final catch up flu vaccination clinic which will be taking place on **Saturday 4th February 2023 in Worcester** for those parents that have missed the opportunity to consent for the vaccination. This is only to be offered to children in year groups **Reception - Year 9**. This clinic will be booked by **APPOINTMENT ONLY**. Please contact the immunisation team on 01527 390030 to book an appointment and to receive confirmation of clinic location.*
