St. Peter's Button Badges -All children will be coming

home with a new button badge that shows the vision for our school. Our vision is to Love, Learn and Live. We are **loved** so we can love, we **learn** so we can grow and therefore **live** our lives to the full, flourishing in the eyes of God

today and in the future. We continue to work in school with the children to live out that vision by following our Golden Rules. To care, share and tell the truth. We would like to invite the children to wear their badges to school each day and we hope the children will wear them with pride.

What's happening in the world today?

We encourage children to read this together with their adults at home to develop their understanding of current news items and topics for discussion. We have included links to the UN Sustainable Development Goals against each story, which will help the children to see how they can have a positive impact in the wider world.

#Ask about asthma

Now in its sixth year the NHS' Ask about asthma campaign is about making simple changes to children and young people's care that will make a big difference to how they experience their asthma:

1. Get an asthma action plan in place.
2. Understand how to use inhalers correctly.
3. Schedule an asthma review – every year and after every attack.

And for 2022, they have added a fourth ask:

4. Consider air pollution and its impact on lung health – to ensure that every asthma conversation considers indoor and outdoor air pollution.

See the 2022 webpage for more information and the campaign week schedule: www.healthylondon.org/ask-about-asthma

3 GOOD HEALTH AND WELL-BEING Dyslexia Awareness Week	10 DECENT WORK AND ECONOMIC GROWTH Black History Month
Dyslexia Awareness Week is an annual event run by the British Dyslexia Association to raise awareness and further understanding of dyslexia.  Dyslexia is a learning difficulty that lots of people have. It's estimated up to one in every 10 people in the UK has some degree of dyslexia. Intelligence isn't affected, but somebody with dyslexia may experience difficulties with their reading, <u>writing</u> or spelling. The theme this year for Dyslexia Awareness Week is "Breaking Through Barriers". The theme will reflect on the barriers that those living with dyslexia often face, while also focusing on how individuals, organisations and schools have continued to succeed and break through these obstacles. The BBC has videos that are designed to be shared with children and young people to help them to understand a little more about Dyslexia: Dyslexia Awareness Week	Black History Month began on Saturday 1st October and ends on Monday 31st October. The theme for Black History Month 2022 is "Time for Change: Action Not Words". To get to a better tomorrow, we can't just focus on the past. The past is in the past. We can acknowledge and learn from it, but to improve the future, we need action, not words. We need to come together around a shared common goal to achieve a better world for everyone. Black history is being made every day, in all kinds of ways. To shine a spotlight on Black history in the making, Black History Month UK magazine is inviting Black people around the UK to share their stories and experiences. Stories shape how kids view themselves and the people around them. Here is a link to 13 of the favourite children's books with empowering black characters championing black culture. 

Message from St. Peter's PTA:

PTA Fireworks – Friday 4th November

Tickets will be available very soon on ParentPay!

The PTA needs your help!!

The PTA at St. Peter's is a lovely group of friendly parents and caregivers who run events for the school community and fundraise for the benefit of the school. The group is all volunteers and can only run the events if we have enough support, so we are always looking for more help! Do you want to help but you don't know where to start? Do any of the below sound like you? If so, we would love to hear from you!

I would like to meet other parents and bring ideas into the group for events and spending opportunities:

Great! We have monthly meeting that are held in person and on Teams and we would love to see you! You don't need to attend every meeting, there is no commitment! You can also just join the planning groups for specific events such as Fireworks or Summer Fayre.

I don't want to attend meetings but I would like to be involved in events:

Great! Are you free during the school day? We would love help for events such as EYFS Mother's and Father's Day, sorting preloved uniform, World Book Day sale and more. All of these would only be for an hour or so.

Great! Are you free during the evening? We would love help for setting up and running events such as Fireworks, Summer Fayre, Quiz night and more.

Great! Are you free around school pick up? We would love help for events such as setting out preloved uniforms, selling ice pops, bake sales and more.

I don't have much time during the week but I would like to help behind the scenes:

Great! We would love help with activities such as: designing posters, baking for cake sales, getting donations from local businesses, prepping new starter parent packs, writing newsletters and social media posts, and more.

I would like to be fully involved and help shape the PTA for the upcoming year:

Great! At our AGM on the 11th October new committee members will be elected to the roles of Chair, Vice-Chair, Secretary and Treasurer. If you would like to know anything more about each role, please do not hesitate to speak to one of our current committee members: Katie Bruton (Chair), Rachael Whittaker (Vice-Chair), Natalie Beeby (Secretary) and Elizabeth James (Vice Treasurer) or please contact: StPetersPTA@riverscofe.co.uk

If we do not have enough volunteers, we will not be able to run as many events for the pupils and St. Peter's community each year. Even if you have an hour to spare over the school year, it would be greatly appreciated! We really look forward to hearing from you, don't be shy! You can send us an email to stpeter-spta@riverscofe.co.uk
