

What's new^s this month?

A round up of some of the stories and highlights from the Adult Learning Worcestershire team

Every day is an Open Day!

A big **thank you** to everyone who came to our Fairfield Learning Centre Open Day on 12th August in Worcester! We loved meeting everyone and sharing some of the great courses on offer at our Adult Learning site in Warndon. We were also really proud to show some of the artwork that has been created by people on our Art & Craft courses.

We've had some great feedback and we want to remind everyone that you can always call in to any of our venues to find out more about the courses on offer, and have a chat about how you could benefit from one of them!
