Arrangements and expectations - September 2022 -

please see [attached letter](#) detailing school start and finish times from September 2022.

Take a now moment!

We have created a new little area within school called the 'Take a 'now' moment area'. Our school is a fun, busy and exciting place to be and sometimes it is nice to take some time out to have a 'Now' moment. We talk about Spirituality with the children in school and what it might mean to them. We talk about the 'Wow' moments when something amazing and special happens. We talk about the 'Ow' moments

when things can be hard and tough and then we have the time in between times. We call these the 'Now' moments. We try to talk to the children about these being times of contemplation, times of calm and happiness. We hope our new little area will allow the children to take a 'Now' moment once in a while.

Councillor Sinton visited the Eco Council to share the Wychavon Green Plan and hear our ideas.

The Chairman of Wychavon Council visited the school to meet with our Eco Council. He was very impressed with all the work they have done to promote our sustainable goals. He shared with us his hopes for a Greener Wychavon.

Learn about the best way to dispose of your waste and recycling with Wychavon's fun waste sorting game!
