Our theme for worship this half term— making a difference

	EYFS	Year 1	Year 2	Year 3	Year 4
Attendance %	93.76%	94.56%	93.92%	93.79%	95.11%
Attendance Superstars for last week		4NT with 99.33% attendance!			

A very disappointing week for attendance with every year group in the red. Please try hard to ensure children attend every day possible, so we can see green across the school.

Green (97.0% and above). Orange (between 95.5% and 96.99%). Red (95.49% or below). Attendance Superstars—Every week we will publish the attendance for year groups and the whole school for the previous week.

Keep up to date with what's happening!

Congratulations to all the Year 4 swimmers who competed in the swimming gala that took place on Friday 29th April at Perdiswell Leisure Centre. St Peter's was placed first

out of eight Worcestershire schools. You should all be extremely proud of yourselves for doing such an amazing job and representing the school so well.

Open Book Night, Thursday 9th June 3.00-4.30pm—

this is an opportunity for you to drop in at any point during this time to look through some of the recorded work your children have been doing during this academic year. If you are available to attend then please enter school through the main entrance and you will be directed to your child's classroom. You will have the opportunity to see the progress your children have made and for you to give some feedback to them for their efforts and hard work if you wish. Your children are welcome to join you so they can talk you through their work or you may wish to sit and do so on your own. Please note class teachers will not be present in classrooms.

St Peter's Parent/Carer Voice Group—The next Parent Voice meeting will take place on **Wednesday 18th May at 8:40am to 9:30am**. This is an opportunity for consultation, reflection and creative thinking from the people who live the experience of being a Parent/Carer at St Peter's. Mrs O'Keeffe-Pullan will be available to meet you informally for tea/coffee and a chat in the school hall. Our focus for this meeting will be the Curriculum.

Date for Diary—Thursday 26th May In school, on this day we will be celebrating the Queen's Jubilee. In school we are busy putting plans together and will let you know more details in due time. We will be inviting children to come to school on that day wearing red, white and blue. We would also like to invite the children to take part in a crown competition. If they would like to take part in the competition then they need to make a crown and wear it to school on that day. There will be a small prize for the best crown from each class. Please encourage the children to recycle what they have around the house to keep their crowns sustainable.

Message from the PTA—We would be delighted to welcome parents, carers and guardians of children at St. Peter's to the next PTA meeting this evening, **Tuesday 3rd May**.

The meeting is taking place at school from 7:30pm to 9:00pm, and there is also the option to join online via Microsoft Teams - please follow the link below to join.

Water Safety—with the warm weather approaching, there is no better time to start focusing on water safety and drowning prevention, please refer to the information provided below:-

Summer WATER SAFETY

Drowning accidents are always especially high in the summer months and over the last few years we have heard of too many tragedies that could have been avoided.

Every year people drown both at home and on holiday because they don't take simple precautions, so reaching people with water safety messages is vital.

We want people to enjoy the water safely. Please help to avoid another tragic summer this year by spreading the following water safety advice far and wide:

LOOK OUT FOR LIFEGUARDS

If you're looking for a place to cool off, always find a lifeguarded swimming site

IT'S COLDER THAN IT LOOKS

Water at open and inland sites is often much colder than it looks. Cold water can affect your ability to swim and self-rescue

DON'T GO TOO FAR

Always swim parallel to the shore, that way you're never too far away from it

IT'S STRONGER THAN IT LOOKS

Currents in the water can be very strong. If you find yourself caught in a current – don't swim against it – you'll tire yourself out. Stay calm, swim with the current and call for help

BRING A FRIEND

Always bring a friend when you go swimming so if anything goes wrong, you've got someone there to help

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings. Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family. Swim at a lifeguarded venue.

In an emergency:

CALL 999

Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast. Don't enter the water to rescue.

FLOAT

Fall in or become tired - stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.
