🐣 We wish all our children and their families a relaxing and enjoyable Easter break. 🐣

Curriculum in Action—We have done this for many years in school previously but due to the pandemic it was one of those opportunities that had to be put on hold. We are delighted to now be able to provide this opportunity once more. Curriculum in Action is a time when one adult from home can come into school from years 1 to 4 and join their child during a lesson. The focus for these sessions will be Writing. Key Stage One Curriculum in Action will be on Wednesday 11th May and Key stage Two will be on Wednesday 4th May. If you are able to attend please drop your children off at their classrooms as normal and then head up to the main office for 8.45. You will be shown to your child's classroom and then you can join in with their writing lesson. At 9.30 a bell will sound and you will be invited to leave the classroom and head out of school, via the main entrance again. This is a wonderful opportunity for you to be part of a lesson with your child and we are delighted to open our doors to you once again.

Garnet Class (1J1) have successfully filled their class reward jar and have voted to have a Pyjama day on Thursday 7th April. The children can also bring in a SMALL teddy bear that will fit in their book bag.

St Peter's Choir in the community -

St Peter's Choir have been entertaining the residents of Woodland View Care Home every month with a variety of songs. One resident, Edna, has recently celebrated a very special birthday and the choir made a card to help her reach her target of 100 cards to mark her 100th birthday. Miss Importante delivered the card with some flowers for Edna who was delighted with the colourful creation from the choir.

Would you like to become an Advocate for St Peter's? -

Alongside our staff, no one cares more about your child's education than you. So why not become an advocate to support the school and influence areas that matter to you and your child. As well as helping with the school's continuous improvement for the benefit of your child and the local community, being an advocate will benefit your own personal and professional development. What does being an advocate involve? Advocates are volunteers from all walks of life who work with our school and trust leaders to see that our vision 'Love, Learn, Live' is being lived in our schools and the community. For more information on the advocate roles and how to apply, visit the Rivers website <https://www.riverscofe.co.uk/become-an-advocate/>

Come and join Mrs Adams on the playground on Tuesday mornings for wake and shake at 8.20am! We do a little boogie and exercise to get ourselves ready for the day! Parents will need to stay on site to take children to their classrooms when the bell goes at 8.30am. Adults can also join in if they wish! See you there for a little shakin'.

A huge congratulations to our year 3 pupils who took part in a netball and a football tournament on Friday. The two girls teams in the netball tournament faced each other in the semi-final where one team progressed to the final, receiving a silver medal. The football team also progressed all the way to the final where an extra time goal to the opposition resulted in another set of silver medals. They all played with smiles on their faces and were excellent sporting role models. **Well done year 3!**

Well done to Droitwich Spa Rugby Club who were invited to play at Sixways Stadium, the home of Worcester Warriors, last Saturday. The children split off into small teams during the half time show of Worcester's match against Newcastle and played some small sided games against Chester. We are proud of each and every member of St. Peter's. What a fantastic experience!

EYFS Parental Supervision at Drop Off and Collection

Times—we politely ask that you do not allow your children to play with the EYFS equipment whilst waiting for your classroom door to open. We have also noticed that children have been pulling bark off the trees close to the classrooms, please ensure your children are supervised at all times to prevent further damage, thank you.

Easter Activity Camp

Bookings are now being taken by Sports Challenge for Easter Sports Activity Camp, being held at school from Tuesday 19th April to Friday 22nd April, for children aged 5-14 years.

Easter Bonnets Parade—Reminder we are will be holding our traditional Easter Bonnet Parade on Friday 8th April. The children will be able to wear their bonnets to our Easter Church Service and parents/carers are welcome to watch the parade nearby Church at approximately 8.50am.

A big well done to the Eco Council—Last Thursday morning the Eco Council went out with Mrs Stokes and Mrs Sims to collect litter around our school grounds and perimeter.

From Mrs Stokes—"It didn't look like we would find much litter when we set off, but we were surprised how much we found. Our school grounds were very clean. The worst area was where our school borders with the car park. The children were all excellent and brilliant representatives for our school".

KIDS IN THE WILD

- Do you have a child aged 9, 10 or 11 years old?
- Do you want your child to have the ultimate summertime adventure?
- Are you fed up with seeing them inside on screens?
- Do you think your child would benefit from time spent in the wilderness?

Kids in the Wild (working title) is a new six-part series for Channel 4 that will explore the experience of a diverse range of children as they spend two weeks in nature. The programme will be filmed in a rural area of Britain at the start of the 2022 school summer holidays. Throughout their stay, they will have extensive adult support to ensure their safeguarding but they will be encouraged to do things for themselves to learn how to cope with the challenges of living in the countryside.

Your child and a parent/legal guardian will need to be available for filming between 23rd July and the 7th August 2022.
