Our theme for worship this half term—Lent & Salvation

	EYFS	Year 1	Year 2	Year 3	Year 4
Attendance %	95.06%	97.64%	92.28%	94.96%	94.59%
Attendance Superstars for last week		1J1 with 98.97% attendance!			

We are aware that a high percentage of absence is due to covid and sickness in school. We very much look forward to happier attendance days when the table will turn green once again!! 😊

Green (97.0% and above). Orange (between 95.5% and 96.99%). Red (95.49% or below). Attendance Superstars—Every week we will publish the attendance for year groups and the whole school for the previous week.

Keep up to date with what's happening!

Welcome back!

I hope that everyone enjoyed half term. It was a delight to welcome the children back to school. We shared a lovely collective worship yesterday, where we explored the value of generosity and sharing through a bible story. (I wonder if the children can tell you about it ?) This leads well into the 'Acts of Kindness' that we will be carrying out during Lent in the period before Easter.

COVID Update

You will be aware that there have been changes to Government guidance regarding testing and isolation for COVID.

Please use this [link](#) to view letter from Rivers making clear the specific position for our MAT schools.

At St Peter's, we urge you to continue to take responsibility to mitigate and reduce the risk of transmission by using your judgement.

We will continue to keep cleaning, hygiene, and hand-washing as priorities for everyone in school. If we believe a child is feeling unwell and needs to go home, we will contact you in the normal way. Staff are no longer wearing face coverings routinely but may do so if they or anyone close to them feels unwell. We had a high number of staff absences due to COVID last term and so are keen to do all that we can to avoid staff absence moving forward.

We hope to gradually reintroduce opportunities for visitors including parents/ carers to come into school for events and details will be provided for individual events.

School Day - Drop off and collection

With restrictions now having been scaled back, **we would like all pupils to be dropped off to start school at 08.30 each day.** We will no longer be extending our start time, so please ensure that pupils are ready to **enter at 08.30** to settle and start their learning promptly. Children can be collected in the usual way at 15.00 each day.

EYFS Mother's Day celebration morning

Thursday 24th March—On this day

we invite each child's Mum or another special person to come and join us in

the school hall for some special Mother's day themed activities. Each class has their own time slot as follows:

9.00-9.40: RHW

9.50 - 10.30: RVW

10.40- 11.20 : RJG

We are only able to invite ONE adult per child. Thank you for your understanding.

Years 1-4 School Eco Posters

We look forward to receiving the sustainable goal posters which children have been making over half term, please ensure these are returned to school by

Friday 4th March. Your poster needs to be bright and colourful, to include the sustainable goal you have learnt about and include what you have learnt on your poster.

EASTER BONNETS

We are very excited to announce that we will be holding our traditional Easter Bonnet Parade/competition again this year, further details to follow. Our challenge this year is for children to make their bonnets out of entirely recycled goods/materials. This really supports our commitment to the United Nation Sustainable Development Goals.

EYFS donations needed—we would be grateful to receive donations of small plastic animals (farm, wild, aquatic, dinosaurs), small vehicles (including small plastic diggers etc). Thank you.

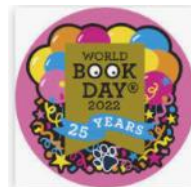

Church Service—Year Two would like to invite their adults to the Year Two Family Service being at held at St. Peter's Church on **Thursday 10th March**. If you would like to join us, please come down to church after dropping your children off at their classroom doors. The children will then walk down to church ready to begin the service at 8:50am. The service will end at 9:30am.

#LookCloser Awareness Weeks will be running between **7th - 20th March 2022**. #LookCloser is a partnership campaign between The Children's Society, the National County Lines Co-ordination Centre and the British Transport Police aiming to raise awareness of child exploitation. Further information via the **#Look-Closer webpage**.

Staffing Update We will be saying goodbye and good luck to Mrs K King (2CS) who will be leaving us on Tuesday 15th March and also Mrs Ebanks, our lunch time supervisor, who will be leaving us this Friday. We

have also said goodbye to Mrs Carter, her last official day at St Peters was at the end of last half term, but will remain a regular visitor to St Peters to help when needed.

World Book Day Thursday 3rd March

—We would like to invite the children to bring in a least one book from home that they have loved but are now prepared to give away. You

might like to add a slip of paper just inside the book with a note of kindness or maybe you might like to make a bookmark to go inside for its new owner. With the help of our PTA we will use the donated books to set up a special pre-loved, pop-up book store in the staffroom. During World Book Day the children will be able to visit our book store to choose and buy a book for £1 that will be new to them. During their time in the book store children will also get to enjoy listening to a story with a sustainability message. Any funds raised we will then use to purchase books.

We would also like to invite the children to dress up as a book character. Please don't feel the need to buy something new. In line with our sustainability goals agenda, we would encourage the use of recycled materials. A prize will be given to the best costume in each year group

Reading volunteers wanted—We are looking for Parent/Carer volunteers to come into school to hear children read in the afternoons. These sessions would involve hearing a selection of children read from a designated Year group/class each week. We are always looking for adults in school to nurture a love of reading, promote discussion and questioning on the text as well as supporting with decoding and blending sounds together to read unfamiliar words. If you would like help and are able to commit to a weekly afternoon session then please email the school office with the subject heading, F.A.O: Miss Pinson. Let me know your availability and I will get back to you.

Thank you, Miss Pinson
