which you can stay safe online; not just on Safer Internet Day but all year around. Whether you are a young person, a parent or carer, a teacher or an educator, a policy maker, or whether you represent an organisation or industry, everyone has a role to play in creating and maintaining a better, 'safer' online world. Your Seesaw post will be sent out to later today. There is no expectation to reply to the post. Its purpose is simply to provide you with some top tips to help stay safe online.
