TED Day

Attendance Matters

It is really important that your child attends school every day and on time.

What do your child's attendance figures actually mean?

95% attendance - 47 lessons missed each year

90% attendance - 95 lessons missed each year

85% attendance - 142 lessons missed each year

80% attendance - 190 lessons missed each year

Punctuality—it is also really important to arrive at school on time. Arriving late is unsettling for children and disrupts the start to their day. **Did you know?** 10 minutes late every day = 33 hours lost learning each year!

We are aware that there may be times when your child is too poorly to attend school, please be reminded that you need to notify school if your child is absent. Notification can either be by telephoning 01905 772138 and leaving a message on the school absence line or by emailing spoffice@riverscofe.co.uk by 9.15am on the morning of the absence. The nature of the illness must be stated clearly.

Year 3 JAM Quiz Collective Worship

At the end of the first half term we reflected as a school on what we have learnt through our Collective Worship. Each class also evaluated what they liked about Collective Worship and gave suggestions on how to make it even better.

One suggestion was to play more games like scratch because the children said it helped them to remember things in a fun way. Year 3 JAM (Jesus and Me) planned an exciting Collective Worship full of different games which was shared with each class on Seesaw.
