Library - We are very lucky to have our school library back open, without restrictions, for all children to enjoy. Some classes have chosen a regular library slot and teachers will let you know when that is, but some classes will visit the library when there is time during the week’s timetable. With that in mind, please put your child’s library book in their book bag when you are ready to change it and then it is here in school at the right time. If your child doesn’t have their library book, they will still visit the library with their class and ‘delve the shelves’ but will not bring a new book home. When a class visit the library, this is an opportunity for children to choose any book that they wish. Whilst an adult might direct them to a chosen topic for non-fiction or a subject matter that interest your child, the books are a free choice for them. This helps promote our school aims of encouraging reading for pleasure and a love of books. Therefore if your child chooses a book they cannot read independently, please enjoy sharing the book, encourage them to look at the pictures and talk about the book and their choices with them. Their reading book will be ‘age/level appropriate’ but their library book is their choice. The children are always very excited to be given that freedom to choose, so let’s celebrate it.
