Welcome Back

What a wonderful start we have had to the new school year!

The children have settled so well and are thoroughly enjoying being back with their friends and engaging in their learning. Thank you to all of you for your patience and consideration when accessing the school site and getting used to new classrooms and routes around the school.

As I mentioned in my letter last Friday, we will write to you at the end of this week to outline playground collection arrangements at the end of day for Years 2, 3 and 4, starting from Monday 13th September.

UN Sustainable Development Goals

We have been working with our partner schools and school improvement team at Rivers over the past term to refine and improve our curriculum. Our intention is to deliver a curriculum that prepares children well for their place in an ever changing world. The drivers for our curriculum which thread through all subjects are the United Nations Sustainable Development Goals. We will be introducing these to the children over the coming weeks but encourage you to explore them together at home, <https://www.un.org/sustainabledevelopment/sustainable-development-goals> A great place to look for a child friendly interpretation is earthcubs.com. Please take some time to introduce the children to the goals as your support will be essential in helping the children to understand and see their place in promoting them.

Forest School Volunteers Needed

Forest School is an amazing opportunity for our children here at St Peter's and we are currently looking for volunteers to help. If you enjoy the outdoors and can spare 2 hours on a Wednesday each week I would love to hear from you. I currently need one helper for the morning and one for the afternoon. If you think you might be interested in helping or would like to know more about the role and what it involves, please contact me by email at hkeen@riverscofe.co.uk. Many thanks, Helen Keen (Forest School Leader).

Pre-Loved Uniform

We will be wheeling our rail of pre loved uniform down to the playground gazebo this Friday. There are many many items that we are sure would be of great use. We would like to show the children in school that we re use, recycle and re purpose as much as possible, this includes reusing pre loved items of uniform. There will be a shaker in the gazebo if you would like to pop a donation for our school, if not please don't worry just help yourself.

Good to Grow

St. Peter's will be taking part in the good to grow promotion from Morrisons this year, see details below:

How you can get involved

From September, for every £10 spent in store or online, you'll get one Grow Token that your local school can then redeem for a wide range of gardening and growing equipment.

Download the MyMorrisons app today to take part.
