

Updates from across the Rivers CoFE Academy Trust

As a family of schools, each with their own unique identity, we are united through our shared [STARS values](#).

To celebrate these values we will be showcasing artwork, created by some of our schools, during a week-long virtual art exhibition on our [Facebook](#) and [Twitter](#) pages.

The STARS values art exhibition will run from Monday 19th July to Friday 23rd July 2021. Follow us on social media to see our fabulous artwork.

The elephant calf decorated by all pupils at North Worcester Primary Academy, as part of [Worcester's Big Parade](#), is now on display at Crowngate Shopping Centre in Worcester city centre.

The design was inspired by pupils hopes for the future protecting our environment.

Northwick pupils create willow sculptures

Willow artist and wire sculptor, Victoria Westway has been working with pupils from Northwick Manor Primary School to create dragonfly willow sculptures.

St Clement's pupils improve their French

Year 5 pupils at St Clement's CofE Primary School are learning French through role play. Acting as waiters and waitresses in a French restaurant, the pupils practised their French language skills through conversation with customers and wrote menus in French.

Cranham pupils create lifelong memories

Year 6 pupils at Cranham Primary School had an exhausting but amazing time surfing and tackling obstacle courses during a PGL residential week in Devon. The children created memories which would last a lifetime and developed key skills for the next stage of their education.
