Year 4 Pen Pals

After a year of isolation and uncertainty, Year 4 have been helping to bring our community closer together. This summer term, our eldest St Peter's pupils have been putting pen to paper and corresponding with residents from the local Herriotts retirement home. The newly-formed pen pals have shared letters, cards and curiosities, with both the children and the elderly residents raising a smile from the experience. It has also really helped Year 4 to put into practise both their formal and informal letter writing skills- a key focus this term. We hope to continue this link between the local community and our school, into the future.

PTA Volunteers

We are hopeful that from the start of the new school year, the PTA will be able to plan many larger events than we have been able to over the last 12 to 18 months. If you would like to volunteer to help at future events, we would love to hear from you! You don't have to attend every PTA meeting, or be at every PTA event to support us - any help that you can give would be hugely appreciated! Please express your interest in supporting events by emailing
