Headteacher's Update

Unfortunately COVID continues to impact of many areas of our lives meaning that we have to assess risk and carefully consider how we can maintain everyone's safety in school. This means that once again, activities which usually involve parents/carers attending will have to be modified.

You may or may not be aware that we have had a partial bubble closure in school meaning that we had many children and staff isolating. We do not underestimate the impact of a potential COVID outbreak, the importance of maintaining bubbles and the impact on life of children and staff needing to isolate.

Sports Days—These will take place during year group PE lessons before the end of term. We will have the same balance of participation and competition for children to experience. Unfortunately this means no parents/adults races this year and I will not be required for my usual daily commentary over the PA systems (some may say that's a blessing!).

We know that some schools are making arrangements for parents to attend, but you will realise that we do not have extensive grounds therefore social distancing would be problematic. Rest assured that we will make the events

fun and exciting for all the children.

Transition—Due to the rise in COVID cases both nationally and locally Worcestershire Public Health Directorate have issued advice to schools about the management of transition arrangements. The recommendation is that all transition events are held virtually. Unfortunately, this means that our children due to join EYFS in September and our children due to move to the local middle schools will not be able to visit their new settings as we had hoped. Middle schools have issued letters to parents/carers and we will contact our new parents/carers next week. For inschool transition, we will group children into their new classes but they will stay in their existing year group classrooms with a virtual meeting and activity session with their new teacher/adults.

Year 4 Leavers' Service—We plan to hold this service on the playground at 09:00 on Monday 19th July. More details about specific requirements and organisation will be shared via the Year 4 team soon. Please be advised we will be asking for only 1 adult per child to attend and for all attending adults to complete a lateral flow test before

Headteacher's update continued...

Protective measures—we intend to keep our current risk assessment and COVID measures in place for the remainder of the term. This means that we will continue with flexible drop off and collection times, ask parents/carers to avoid any gathering on site and to follow our one way/flow routes. Some people have asked about sending in gifts for teachers and whilst of course not expected, we are more than happy for this to happen via the classroom door. Teachers will bring into school any gifts that they wish to share with the children, 72 hours before distributing.

Face Coverings—we ask that adults always wear a face covering on site. The only exception should be for those who are exempt and we ask that you wear your lanyard or badge if this applies to you.

Parent/Carer Survey

Please take a few minutes to answer the questions below. We value feedback from our families and are always looking for ways to ensure our children have the very best experiences in school.

Lost Property in School

We have a significant amount of unnamed clothing in our lost property box! Please ensure your child's clothes are clearly labelled so that we can ensure items are returned, thank you. Any items found, please hand in at the school office, thank you. We will be sorting through our lost property box before the end of term and any named items will be distributed to the classes.

Reminder—Current Year 4 ParentPay—please withdraw all funds in ParentPay prior to leaving in July 2021.

Summer Camp at St Peter's (3-12yr olds)

Bookings are being taken for summer camp at St. Peter's from week commencing 26th July 2021. There are a wonderful range of activities for each week, please use the link below to view the activities and book sessions,

Uniform ready for September 2021

If you're thinking about popping out to buy uniform for September or indeed your little one has grown out of items this term, please bear in mind we have LOTS and LOTS of preloved uniform items in our school. Just pop an email to the office and we can sort items out for you. We ask for a donation of your choice which will go into the school funds to benefit all the children.

Message from St. Peter's PTA

Pop Fridays!!

Don't forget that ice pops are available to purchase at the end of the school day every Friday until the end of term! Ice pops are 20p each, please bring the correct change as unfortunately we will not be able to provide change. We ask that everyone adheres to social distancing when waiting to be served please. All funds raised from the sale of ice pops will be reinvested back into the school! If you are free and have time available to support the PTA with ice pop sales, we would love to have you on-board! Please email StPetersPTA@riverscofe.co.uk!
