Parent Member election result

Following the completion of the Parent Member election process, we are delighted to welcome Natasha Hine on to the School Improvement Board (SIB) as a Parent Member. Natasha has a son in Year 3 and a daughter due to start at St Peter's in EYFS September 2021. Natasha currently works as Assistant Head Teacher at a school within The Spire Academy Trust. With Natasha's experience as a St Peter's parent and with her knowledge of the education sector, we are confident that she will be a strong Member of our SIB and we look forward to "working together to achieve our best". Dare to be Different Day - Thursday 27th May

All of the children are invited to show their individuality on St. Peter's very first Dare to be Different Day by picking one (or all!) of the differences detailed below. All of the options are 50p each, and are in addition to school uniform which is required to still be worn on the day. The only changes to uniform would be if the children were to pick one of the clothing swaps (e.g. sports top instead of polo shirt/ odd or brightly coloured socks). Taking part is completely voluntary, but please note that all of the funds raised on the day will be reinvested back into the school for the benefit of all of the children in the St. Peter's community! Year 3 swimmers—please consider the outfit carefully (crazy hair not advised!)

Year 4 Leavers' Hoodies

Please note that Year 4 Leavers' Hoodies are only available to order online - please follow this link: Year 4 Leavers Hoodies 2021

Order cut-off date is **25th May** - please note it will not be possible to order hoodies after this date. All hoodies will be delivered to school w/c 7th June and all Year 4 pupils are welcome to wear their hoodies in school from 12th July.

Walk to School Week 2021

We are delighted to see so many families taking part in walk to school week! Please continue to help to get our children moving and encourage them to be more active. It's also really important to keep roads around schools safe from dangerous traffic and air pollution. Lets get walking, cycling and scooting to school to help achieve this while also helping children meet part of the recommended 60 minutes of physical activity a day and improving mental health and concentration levels.
