

St Peter's Droitwich CofE Academy Early Years Foundation Stage New Intake Information for September 2026

'An extraordinary education for every pupil'

Together we value each person as a child of God by showing ambition, courage and resilience. Like St Peter, we lead extraordinary lives to become beacons of hope.

God chooses ordinary people to do extraordinary things.

Welcome to St Peter's

Aims for the evening:

- To extend a warm welcome to all parents and carers
- To introduce the team
- To share key information for starting school
- To arrange transition events in school for your children
- To provide an opportunity for you to meet other parents from your child's class and year group
- To offer an opportunity to ask and answer questions

Universal Free School Meals

All children in EYFS, Year 1 and Year 2 receive a free school meal – this must be ordered through Parentpay.

Free School Meals

If you think that your child may be eligible for Free School Meals (even if they prefer to bring in their own packed lunch each day) please claim. This will be confidential and your child will not be identified or discriminated against in any way but it will help to provide additional funds to support them at school.

Pupil Premium Grant (PPG)

We receive the PPG for every child in school who is, or has been registered for Free School Meals, who is a Looked After Child, who is a Post-Looked After Child, on a special guardianship order or who has a parent in the Armed Forces.

Pupils who are entitled to PP funding receive additional support in some of the following ways:

- An annual uniform voucher for up to 2 jumpers or cardigans
- A bookbag
- A contribution to trips and events
- A contribution to enrichment activities, such as after school clubs
- Free daily child's serving of milk
- Targeted support during class times

Wrap Around Care

There are several private wrap around care providers that the school community uses. Phoenix is based on site, and others provide a drop off and collection service with care provided off site.

Many provide us with leaflets that you will find on the notice boards and in the school entrance.

Speech and Language Therapy (SALT)

Chloe Jameson is our assigned NHS Speech and Language Therapist. As a school we invest in additional hours per week with Chloe, who supports a designated teaching and the staff team to deliver intervention.

Children always make better progress when strategies are also implemented at home and we work in partnership.

Working Together

In September you will receive a calendar of events that take place throughout the year, this will also give information regarding 2026-27 term dates. Events include:

- Parents' evenings
- Open book nights
- Church services – Harvest Festival
- Nativity play
- Mother's day and Father's day mornings
- Class assemblies
- Sports day
- Curriculum sessions
- St Peter's Day picnic

A weekly newsletter (E-TIOT) will be emailed to you.
