PSHE—Half Term Focus

This half term in PSHE we are all focusing on ‘Relationships’.

Within our lessons, we will be talking about what a healthy

relationship looks like and how children can create and sustain positive relationships with others. We will also be talking about discrimination and the negative impact this can have on forming healthy relationships. It is important for our children to understand different forms of discrimination (e.g. race, age, gender, ethnicity, disability). We will be working to help children acknowledge and discuss difference in a positive way and to ensure that protected characteristics are not used negatively. It will be really helpful if you can continue discussions around our focus with your children at home, supporting them to understand issues of inclusion and discrimination in an age appropriate way. Thank you.

Parent Member

Our School Improvement Board (SIB) has a vacancy for a Parent Member. A letter and nomination form are attached to this week's ETIOT with full details on who can apply and how to apply. The role offers the opportunity to make a real contribution to the life and work of our School. Board members play a key role in the leadership of the School and work together with the Headteacher, staff and other board members to ensure that St Peter's provides a challenging and supportive environment for the children. The SIB role covers safeguarding, health and safety, mental health and well-being, curriculum data, community, finance and budgets. No special qualifications are needed and we would welcome nominations from parents/carers with experience from any sector. The most important thing is to have a keen interest in the school, education and have the time and willingness to play an active part in the SIB's work. Please contact Mrs Hodnett in the school office if you have any queries and if you are interested. Completed nomination forms need to be **returned by Friday 14th May 2021.**

Lost Property & Sunscreen in School

In the recent warmer weather children are taking jumpers and cardigans off during playtimes. Please ensure your child's clothes are clearly labelled to make it easier to find.

Could we also please ask when the sun does shine for all children to wear sun hats and arrive to school with all day sunscreen applied at home. Children are not permitted to bring any sunscreen into school. Thank you.
