

We meet together for a 15 minute Collective Worship every day. During this term we have met via MICROSOFT TEAMS.

We wave and talk to each other as we have a camera and microphone in each classroom.

Our JAM group (Jesus and Me) help Mrs Mills to organise and lead Collective Worship.

Have You Ever Wondered...?

We explore Christian Values in each Collective Worship. This half term we have focused on the Value of Respect. We have explored;

Respecting Differences
Respecting Opinions
Respecting Beliefs
Respecting Ourselves
Respecting Our World
Respecting Places and Property

Collective Worship

Respect Prayers

Each class has reflected on what we have discussed and created a class prayer. Here are two examples...you will find all of the prayers on our website soon!

Dear God,
Help us to
Reuse and recycle
Encourage others
Support others
Pray and be perfect friends
Every day be kind and listen
Care and share... and be
Trusting and truthful
by Ruby Class

You can respect anyone it's so easy. You don't have to pay any money. Just follow the steps and you'll see.

- 1) You can respect your parents by washing up after tea.
- 2) You can respect the police officers who help us live safely.
- 3) You can respect the shop keepers by saying thank you and please.
4. You can respect the planet earth don't pollute the seas.

Now you can all see how to respect one another and live in harmony!

During Collective Worship we...

1. **Welcome** everyone.
2. **Learn** about new possibilities or different perspectives.
3. **Reflect** on how what we have learned resonates on what we think and feel.
4. **Respond** by thinking about what we could do to make a difference.

We are invited to pray throughout the day; before lunchtime, during Collective Worship and at the end of the day. If we want to join in, we can say 'Amen' at the end of the prayer.
